Leak/Water loss Prevention

This is a great month to look leak prevention:

1. There are many ways to determine if you are wasting water. Water and Sewer costs are a large portion of everyone's budget. http://www.pinellascounty.org/utilities/documents/leak_guide.pdf
2. After you check for water loss, you should contact the appropriate party for repairs.

FIRE SAFETY

1. If you have not inspected your batteries in your smoke detectors, you should. A good tip is to mark the date of each inspection on the detector itself.
2. Inspect any fire extinguishers you may have in your kitchen or other areas to ensure they are ready in case of emergency.

REMINDERS

Please familiarize yourself with the Governing Documents of the Association. This includes the Rules and Regulations.

Please ensure guests, and contractors follow the parking procedures.

UPCOMING EVENTS
