

Ward's Seafood Experience

At Ward's Seafood Market you'll get more than fresh seafood. Our experienced fish handlers can explain how to cut, cook and care for fresh seafood. They are always happy to share favorite seafood recipes, offer advice on cooking & grilling and educate you on storage and nutritional facts. Shrimp, lobster and crabs can be cleaned and steaming is always complimentary. Any type of whole fish can be cleaned and dressed to your specifications. We have fine wines, grocery items and fresh produce to complete your seafood experience!

Gold Shrimp Platter

Seven pounds of delicious jumbo shrimp seasoned and steamed to perfection. Provides appetizers for 25 - 35 people (approx. 5 shrimp each)

Custom Platter

Choose your favorite fresh seafood from our showcase. We will prepare your platter to your specifications; then garnish it using seasonal fruits & vegetables. It is served with a delicious Ward's Homemade Sauce.
